

Wroxton Governors - Newsletter

Winter 2020

Welcome to the latest edition of our newsletter.

Governor Changes. As you are most probably aware Revd Dr John Reader is now retiring and moving away from the area. John has been a governor at Wroxton School for ten years and during that time has been a stalwart of the governing body. His experience, friendliness and humour have often made the work of the other governors considerably easier. It is also important to say that his vast knowledge of educational matters both locally and nationally, especially with regards to Academy Trusts, has guided the governors at Wroxton in the more serious decisions they have had to take. As well as his duties as governor, John has conducted weekly assemblies, church services for the school and been a pastoral guide for the children, staff and governors alike. Although it will be extremely sad to see him leave and he will be sorely missed by everyone at Wroxton School we wish him a long and happy retirement!

We are also pleased to welcome new members; Melanie Fraser, Marcia Yarborough and Laura Robarts to the governing body.

Wroxton School is in the top 1% of schools for SATs achievement. The school has recently received a letter from Rt. Hon. Nick Gibb MP, Minister of State for Education, congratulating Wroxton School for its pupil achievement in the SATs of last year. Wroxton is in the top 1% of schools in the country for all pupils achieving a 100% pass rate in reading and maths. This excellent result is a tribute to staff, students and families all working together to give every child a chance to fulfil their potential. The governors would like to congratulate all the school staff and thank them for all their hard work over the years in making this fantastic achievement possible. We must also thank the children who took the tests in their stride and proved that Wroxton School is a school where every child can achieve great things.

Reflection Area. After consultation with pupils and staff a new reflection area is going to be built during February half term. We would like to thank Mrs Taylor for all the work she has put in in guiding the design in order to make this happen. We would also like to thank the members of the school council for their input and The Friends of Wroxton who have provided the funds required for the area, Mrs Sullivan for fielding calls and emails and liaising with Mrs Taylor, suppliers and The Friends of Wroxton. This is an area within the school grounds and it will give the children somewhere to sit quietly either by themselves or in small groups to think or chat and it will give some respite from a very busy world.

Contact email: The Chair of Governors is: Mrs Sue Neal sue.neal@wroxton.oxon.sch.uk. Please remember that the class teacher is always the first port of call for enquires about the day to day education of your children.
