

Dear Parents

'TEAMWORK' comes in so many different ways. This week I want to share a journey of 'TEAMWORK'. The journey is about Mrs Samantha Mitchell.

In 2006 the journey began with Mr. and Mrs. Mitchell's first child starting school. The Mitchell's second child then started school. During this time Mrs. Mitchell applied for a job and started work at Wroxton as a Teaching Assistant and has remained ever since. Her husband also became a governor of our school and supported us through two OFSTED inspections. Mr. Mitchell retired earlier on this year and that has led to Mrs. Mitchell making some decisions around her next steps.

She has made the really hard decision that now is the right time for herself and her family to have quality time together, doing the things they love to do and to enjoy the freedom of not working. This will enable them to make the most of the opportunities that arise for them. This has not been an easy decision and having been part of the school fabric for such a long time I am sure you will appreciate it has been emotional with many tears having been (and will be) shed.

On behalf of Wroxton I want to say that it has been an absolute pleasure working with this family on so many different levels and appreciate the support, the challenge and the care that they have shared as they worked alongside us.

I am sure that many of you will want to send your best wishes Mrs. Mitchell's way; it is safe to say she is not looking forward to the end of term!

From me on a personal level I just want to say a massive thank you for being part of our team and I know that this is a 'see you soon' rather than a goodbye.

April Guinness
Head Teacher

"Teamwork makes the dream work!"

E-Safety tips

Games from Childline

Childline have created some online games that your children can play including arcade style games and relaxing games. You can find them here:

<https://www.childline.org.uk/toolbox/games/>

Search Engines

Parent Zone have published this article explaining what you need to know about safer searching and what you should consider. Read the article here:

<https://parentzone.org.uk/article/search-engines-what-you-need-to-know>

Woodwind music lessons

Following the assembly that Mr. Allen shared with the children; If your child is in year 3 or above and you are interested in them being able to learn to play the flute, clarinet or saxophone, please complete the interest form available from your child's teacher or the office and return to school. The completed forms will be given to Mr. Allen who will then be able to plan his timetable for the autumn term.

Uniform – New School Year

Please do not leave ordering items from Cross Embroidery to the last couple of weeks of the holiday as you may not be able to have the items in time for the autumn term.

Please take the time to name all new items of clothing when preparing for the new school year.

Warmer Weather

Your child must have a sun hat in school with their name clearly marked in it and a once a day sun cream applied before school every day.

Children will not be allowed outside for break and lunchtime on hot sunny days unless they have their hats and sun cream has been applied.

To date the school has earned £316 by parents registering with My School Fund and spending in Sainsburys and other participating retail outlets. Parents have earned a combined £623 which they are able to spend in Sainsburys and Argos.

School Lunches – action needed

Please log into your SchoolMoney account and check/order your child's school lunch for w/c 11th July no later than Tuesday 5th July 2022.

If you are having trouble accessing your account please contact the office.

Attendance

This week's average attendance is 96%.

It is easy to think that being a couple of minutes late doesn't matter. We dismiss it, thinking we won't miss anything.

However where school is concerned, being late means missed learning.

Since the beginning of this school year pupils at Wroxton have missed 29 hours and 44 minutes of learning time by being late.

Please ensure that your child arrives on time in the mornings.

Classroom doors open at 8:40am and close at 8:50am.

CDC Holiday Hubs

Cherwell District Council holiday hubs are available to book during the summer holidays. If your child is eligible for benefit related free school meals you can book sessions with no charge. Spaces are available at North Oxfordshire Academy and Spiceball Leisure Centre

To book follow the link:
