

Dear Parents

We now see ourselves in the final term of this academic year. There is so much left to do and there seems like there is not enough time.

We had a fabulous end of term with our Platinum Jubilee Party. I hope you enjoyed some of the festivities that happened around Banbury last weekend and managed to watch some or all of the various televised events. It was truly an amazing piece of our British history. Today we have received Jubilee books for our children which we hope will be treasured for years to come. This afternoon sees us have our Jubilee Summer Fete here at school. This is the first fete in several years so hopefully an enjoyable event.

This term's value is 'Team Work'. Notoriously, this is the term where children get tired and fractious. This is due to a whole host of things. For some it is the thought of moving to a new class with a new teacher, for others it is the prospect of moving onto schools that are so much bigger than our wonderful little school, for others it is the thought of moving on without their friends and for some others it is the unknown.

As a school we aim to make the moves that will happen as smooth as possible and as supportive as possible. We are fortunate to have external support in the form of our play therapist who works with the Year 6 children to support them as a group and as individuals. You as parents will be managing worries at home. As a team we can hopefully ensure that all the work that goes in has the effect we want and that the children move without stress and anxiety. However, in reality despite all of the above there will be children who remain anxious. My plea to you all is that if this is the case please talk to us early so we can if necessary look at additional ways of supporting.

April Guinness  
Head Teacher

## Star of the Week

Eagles: Lola-Rae

Kestrels: Robert

Kites: Daisy

Falcons: Daria

## Sports Stars

Eagles: Thea

Kestrels: Alicia

Kites: Finley

Falcons: Billy

## E-Safety tips

Social Media update There are several different social media platforms that your child might be on or wanting to join such as Instagram and Snapchat. Social Media platforms are used to share pictures and communicate with others. It is important to review each individual platform to see what age your child should be to access them and to set appropriate privacy settings. It is also important to talk to your child about information they should keep private.

Is your child ready for social media? This article looks at the risks that you need to consider as well as advice on how to get started: <https://www.thinkuknow.co.uk/parents/articles/is-my-child-ready-for-social-media/>

Further information Visit the Social Media Advice hub from Internet Matters to learn more: <https://www.internetmatters.org/resources/social-media-advice-hub/>

## Can you help Mrs Blunden?

I'm taking part in Miles for refugees because I believe that every refugee matters.

When terms like 'refugee' and 'asylum seeker' are stripped away, we're left with a person, just like you and me. Someone who has experienced some of the worst things in life and risked everything to reach safety. Someone who matters.

This June, I'm making my miles count for anyone forced to leave their home. By sponsoring me you'll be helping to change the lives of refugees across the world, and will be joining a movement that believes every refugee matters.

With your donation we can create meaningful change for refugees fleeing violence, conflict and climate-related disasters. Help me make every mile count.

## Warmer Weather

As summer approaches it is important for us all to be safe in the sun.

Please ensure that your child has a **sun hat** and **water bottle** in school every day. (these should be named)

Please also remember to apply a once a day sun lotion to your child before they come to school each morning to avoid them getting sun burnt during break and lunchtime.

## School Lunches – action needed

Please log into your SchoolMoney account and check/order your child's school lunch for w/c 20<sup>th</sup> June no later than Tuesday 14<sup>th</sup> June 2022.

If you are having trouble accessing your account please contact the office.

## Father's Day Celebration Assembly

We will be holding our special Father's Day assembly in the school hall on Friday 17<sup>th</sup> June 2022 at 2pm.

We have limited space in the hall so we can only invite dads to this assembly. If your child's dad is unable to attend for any reason then another adult can represent them. Unfortunately we cannot accommodate more than one adult per family.

## Attendance

Good news! This week's attendance is 96%, which is the target the school has set.

Our year to date attendance remains below target at 93%. We cannot go backwards but we can hopefully maintain a 96% attendance rate for this half term.

Please refrain from making routine appointments for your child within the school day. Thank you

## Dates for your diary

- 13.6.22** – Meet the Beasts visiting Eagles & Kestrels
- 14.6.22** – First whole school transition session ( these will continue every Tuesday until & including 12<sup>th</sup> July
