

Dear Parents

Following on from Mrs Taylors assembly on Wednesday as a school we talked about responsibility and how working together as a TEAM is an integral part of all of our lives to ensure the best outcomes for everyone.

Being part of a TEAM does not mean that everyone knows everything all the time but it does mean we all have our parts to play.

Being part of a TEAM is the responsibility of the whole TEAM. We see our children and parents as being part of our Wroxton TEAM and that your role is crucial to all we do.

Part of our responsibility is to listen to your ideas and concerns and act on them. We have looked at your responses to the home learning consultation and the new policy will be out to you shortly.

Please keep talking to us, please keep asking questions. The TEAM works better together. Please do not be the 'I' in our TEAM.

Have a great weekend.

Sharing information, pictures and videos

Personal information is any information that can be used to identify your child. Sharing personal information online is easy and sometimes children, like adults, might share more online than they would offline, which can be risky.

Read [your child's personal information and how to protect it online](#) for information and advice.

School Dinners – action needed

The current menu will be continuing after half term. Please order your child's lunch options for w/c 1st November **no later than Thursday 21st October** so numbers can be given to The School Lunch Company before the half term holiday.

Thank you.

Parents Evening

Parents Evening appointments will be taking place next week. Appointments are online using TEAMS. Your child's teacher will send you a link to the meeting. Each appointment is 10 minutes long.

If you are not sure how to log into TEAMS please speak to your child's teacher in the first instance.

Wednesday 20th October – Please be aware

We are having work completed at school to improve our internet access across the school. This may lead to us having no internet on this day. Please keep this in mind if you contact the office by email or teachers via dojo.

The work should be completed in a day so any disruption should only be on Wednesday.

Please do not send your child to school if they are experiencing COVID 19

Symptoms:

- **a high temperature** – this means you feel hot to touch on your chest or back (you do not need to measure your temperature)
- **a new, continuous cough** – this means coughing a lot for more than an hour, or 3 or more coughing episodes in 24 hours (if you usually have a cough, it may be worse than usual)
- **a loss or change to your sense of smell or taste** – this means you've noticed you cannot smell or taste anything, or things smell or taste different to normal

Trading Card Swap Club with Mrs Sullivan
