

Dear Parents

As you know our value this term is 'Team Work'. At the end of assembly, as a school, we say together the Lord's Prayer. For some children and adults they say their own prayer at the same time.

The Lord's Prayer is one of those that we all say together at the same time. This week as I sat in assembly and then joined in I became acutely aware for the first time that there was someone who was completely out of sync and that was racing ahead of everyone to finish. I had no idea who but could just hear.

It was only at this point did I think about how we say the prayer and wherever we say it be it at school, a wedding, a funeral, a Christening or just a church service, with people we know or even with complete strangers that I thought about the unity of the prayer and that as a team of people we automatically synchronise. Team work at its best! I had a conversation with the children and am happy to say we are back in sync with one another

There must be many other aspects of life that are similar where we just synchronise without even realising it.

If you can think of other examples please share them with your children so they can bring them back into school to share.

Have a great weekend.

TikTok update

The NSPCC have created a news article discussing if TikTok is safe for children and provides an overview of how to keep your child safe on TikTok using their safety settings.

Read the article here:

TikTok have also created a Guardian's Guide designed to provide an overview of TikTok and the tools and controls available: <https://www.tiktok.com/safety/en/guardians-guide/>

Summer Holiday Clubs

If you are looking for something different for your child to do at their holiday club why not take a look at Drama in the Woods. There is an early bird discount for bookings placed in June <http://www.dramainthewoods.com/book-your-place>

Cherwell District Council Holiday Hubs
Activity hubs will be running throughout the summer holidays at North Oxfordshire Academy and Spiceball Leisure Centre.

Woodwind music lessons

Keith Allen has been providing woodwind instrumental lessons to children in KS2 here at Wroxton for many years now. He has even tried to teach some of the staff!

On Wednesday 22nd June he will join us for assembly to introduce the clarinet, saxophone and flute to the children. If your child would like to learn to play one of the instruments in the next school year please complete the form that will be sent home on Wednesday or contact the office.

Warmer Weather

Your child must have a sun hat in school with their name clearly marked in it and a once a day sun cream applied before school every day.

Children will not be allowed outside for break and lunchtime on hot sunny days unless they have their hats and sun cream has been applied.

School Lunches – action needed

Please log into your SchoolMoney account and check/order your child's school lunch for w/c 27th June no later than Tuesday 21st June 2022.

If you are having trouble accessing your account please contact the office.

Parking – polite reminder

There are two disabled bays at the bottom of the drive, please remember these are for the use of Blue Badge holders only.

If you are struggling to park in the mornings/afternoons please drive further into the village, where there is plenty of on street parking, and walk the short distance to school.

Please do not to use the school carpark for drop of at breakfast club.

Attendance

This week's attendance is 95%, which is below the target the school has set.

For those who suffer with hay fever symptoms we know it is particularly difficult at this time of the year. Please ensure that you have administered their usual antihistamine medication before school each morning.

Lateness – classroom doors open at 8:40am and registers close at 8:50am. This gives a 10 minute window for children to arrive in school.

If you arrive after 8:50am please enter by the front door. Your child will be marked as late, and the number of minutes late recorded.
