

Dear Parents,

In celebration assembly this afternoon I talked to the children about this terms value and asked them to give me some examples of what it means. These are some of the things they said:

- Looking after your things
- Parents looking after their children
- Looking after others
- Being responsible for doing the right thing
- Taking responsibility for things -Play Leaders, Sports Council
- Telling the truth
- Responsibility for our actions.

In school teachers have a responsibility to work in partnership with parents on all aspects relating to the children. That is academic, social and emotion wellbeing. There will be times we get it wrong as we are only human. I hope that for the majority of the time we get it right.

If possible it would be lovely to see the children write a story, a poem or even create a picture that represents responsibility that can be displayed in school. Please encourage them to have a go and maybe even do something together.

Have a great weekend.

Chatting, being kind and making friends online

The term 'online friend' can be used to describe people you only know through the internet, or those that you also know offline. Some children make friends online by meeting new people through online platforms such as gaming sites.

To help children have positive online friendships, read this [handy guide](#).

School Dinners – action needed

Please remember to book your child's lunch for the week starting 4th October no later than Tuesday 28th September.
