

Dear Parents

Here we are at the end of another term. It has been a little bit of a whirlwind, as it seems that we have only just come back.

We have ended this term on such a high with our Jubilee Celebrations. The children and staff had a fabulous time and hopefully the children will have made memories that last a longtime. One of our TAs, who came here as a child, remembers our Golden Jubilee and still has her commemorative coin.

We now have a week and two days before we head into the final term.

There are lots of things going on over the holiday so please take the chance to enjoy some of what is on offer. Sunday afternoon there is a Dinosaur event in People's Park for example.

Take care and have a fabulous Jubilee Weekend however you are celebrating.

See you after the holidays

As well as the original CyberSprinters game (<https://www.ncsc.gov.uk/collection/cybersprinters>), you can now access puzzles that you can solve with your child and read interactive stories together.

These activities are available here:

Warmer Weather

Please ensure that your child has a **sun hat** and **water bottle** in school every day. (these should be named)

Please also remember to apply a once a day sun lotion to your child before they come to school each morning to avoid them getting sun burnt during break and lunchtime.

Please log into your SchoolMoney account and order your child's school lunch for their return to school on Wednesday 8th June as soon as possible. Numbers are needed for the kitchen to place their orders

You will also need to order your lunches for w/c 13th June. Please place these orders no later than Tuesday 7th June.
